Individuals certified by CFP® Board have taken the step to demonstrate their professionalism by voluntarily submitting to the CFP® certification process that includes thorough education, examination, experience and ethical requirements. The CFP® is issued by the Certified Financial Planner Board of Standards, Inc. Prerequisites require a designee to hold a Bachelor's degree (or higher) from an accredited college or university as well as three years of full-time personal financial planning experience. In addition, candidates must complete a CFP-board registered program (or hold an accepted designation, degree or license) and take the CFP Certification examination. To maintain certification, the designee is required to complete 30 hours of continuing education every two years and continue to agree to be bound by the Standards of Professional Conduct.

Mr. Langford is a licensed insurance agent. With respect to the provision of financial planning services, he may recommend insurance products offered by such carriers for whom he functions as an agent and receive a commission for doing so. Please be advised there is a potential conflict of interest in that there is an economic incentive to recommend insurance and other investment products of such carriers. Please also be advised that LBWM strives to put its clients' interests first and foremost. Other than for insurance products that require a securities license, such as variable insurance products, clients may utilize any insurance carrier or insurance agency they desire.
